

## Module 1 Hw

### Chapter 1 - Measurement

1. What are some things you know about physics?
2. How do we start doing physics?
  - a. How do we do it qualitatively?
  - b. How do we do it quantitatively?

#### **Frames**

3. Draw a 2 dimensional cartesian plane
4. Draw a 3 dimensional cartesian plane

#### **Units**

5. What is a standard?
6. Familiarize yourself with [www.nist.gov](http://www.nist.gov).

#### **Measuring things**

##### **Time**

##### **Mass**
