

## Module 1 Hw

### Chapter 1 - Measurement

1. Write down some things you know about physics.
2. How do we start doing physics?
  - a. How do we start doing it qualitatively?
  - b. How do we start doing it quantitatively?

#### **Frames**

3. Draw a 2 dimensional cartesian plane
4. Draw a 3 dimensional cartesian plane

#### **Units**

#### **Measuring things**

#### **Time**

#### **Mass**
